

The Mezzanine

The Theatre

The Mezzanine Function Room located at the harbour end of Wharf 4/5 is a prestigious facility. Its dynamic views of the Sydney Harbour Bridge, North Sydney, and the historic Luna Park capture the life of the Harbour.

The Wharf is a heritage-listed site with its original features dating back to the early 1800's, showcasing both the solid workmanship and the architectural style of that era.

The room accommodates up to 80 guests for a formal banquet dinner and up to 150 for a cocktail or business function. The Mezzanine is a flexible space and can be designed to suit any function. The newly renovated facilities include modern flooring, tiled kitchen and bathroom facilities.

The Theatre, located at the heart of Bangarra's prestigious premises is the functional core. It is utilised by the company as its main rehearsal space.

It offers up to 30 metres of versatile floor space and is perfect for theatre rehearsals, large formal banquet dinners, product displays, or theme presentations. It is a multi functional space.

The Theatre boasts retractable tiered seating for 188, a viewing gallery for 27, and the option to boost capacity with additional floor seating. It has dressing rooms, laundry, bathroom, and shower facilities.
